## SUMMARY

Detail-oriented Information Science and Engineering student with a strong foundation in software development. Experienced in building full-stack web apps using Django, React, and FastAPI, and mobile applications using Kotlin and Firebase. Demonstrates excellent teamwork and problem-solving skills through diverse personal projects. Actively seeking opportunities to apply technical skills and grow in a challenging development role.

## EDUCATION

**BMS College of Engineering**, Bangalore, India
*Bachelor of Technology (B.Tech) in Information Science and Engineering*
CGPA: 8.34

**Alva's PU College**, Moodbidri, Mangalore, India
*Pre-University Course (PCMB)*
Percentage: 94%

## SKILLS

- **Programming Languages:** Java, C++, Python, Kotlin
- **Web Development:** HTML, CSS, JavaScript, Django
- **Mobile Development:** Android (Kotlin), Firebase
- **Databases:** MySQL, Firebase
- **Tools & Frameworks:** Django, React, Firebase

## PROJECTS

**Bike Rental Price Comparison Platform** | *React.js, FastAPI*

- Built a responsive full-stack web app to compare rental bike prices from multiple providers.
- Implemented dynamic search and filters using React, and developed RESTful APIs using FastAPI.
- Designed for extensibility with planned features like booking, map view, and user login.

**To-Do List Android App** | *Kotlin, Firebase*

- Built an Android task manager app with user authentication and calendar-based due date tracking.
- Followed Material Design principles for a clean and user-friendly UI.

**Bus Booking Website** | *Django, HTML, CSS*

- Developed a full-stack bus booking system with authorization, seat selection, real-time availability.
- Integrated responsive UI and carousel for enhanced usability and accessibility.

**Portfolio Website** | *React.js, Tailwind CSS, Cloudflare Pages*

- Designed and developed a responsive portfolio site to showcase projects and resume.
- Hosted using Cloudflare Pages with a custom domain and performance optimization.

## LANGUAGES

English (Professional), Kannada (Native)
